Eligible volunteers at Southern Stone County Fire Protection District are provided a range of benefits and have access to various services at no cost.

The following programs are available to eligible volunteers:

- Workers' Compensation insurance
- Reimbursement pay for responding to fire-rescue incidents and training classes attended
- Chaplain(s) on staff for direct counseling or to acquire other resources for assistance
- Membership discount at local health club
- Membership with the Fire Fighters Association of Missouri
- Employee Assistance Program

A number of the programs are provided through membership with the Fire Fighters Association of Missouri, to include but not be limited to:

- Assistance with repair of broken eyeglasses up to \$100.00
- Line of Duty Death benevolence program that makes available \$1,000.00
- Access to college scholarships up to \$250.00 for members' dependents
- Low cost regional fire schools and related training in Sedalia
- Access to low cost Accidental Death and Dismemberment Insurance
- Exclusive access to California Casualty Insurance programs for preferred Auto and Home

Some benefit programs may require contributions from the volunteer.
